

## **Support Me APP - Privacy Policy**

1. This app does not store personal information other than your first name.
2. Your check-in data and the answers to your daily questions; don't leave your device. They are not stored on our server. The only exception is when we need to contact your support person to let them know you may need help, and even then, we don't transmit or store any data about the specific answers you entered.
3. We store basic, non-identifying data about app usage. For example, how often the app is being used. This is only to help us improve its effectiveness.
4. While all due care has been exercised to ensure the accuracy of the material contained on our website, the information is made available on the basis that the website is not providing professional advice on a particular matter. Our website is not a substitute for independent professional advice. Nothing contained in this website is intended to be used as medical advice, nor should it be used as a substitute for your own health professional's advice.
